1. Whereas, UNF's current basketball facilities are located in
2. parking lot #4, and
3. Whereas, the playing surface of these courts is slanted and
4. uneven throughout, when ideally, basketball courts should
5. be as smooth and level as possible, and
6. Whereas, these courts are frequently covered with sand, pebbles,
7. and other assorted objects which can limit and dangerously
8. jeopardize one's footing when playing basketball, and
9. Whereas, these courts are not as convenient to resident students
10. as they might be and therefore are under utilized, and
11. Whereas, these courts are poorly outlined and are not regulation
12. size, and
13. Whereas, the construction of new courts more convenient to the
14. resident students would likely improve the intramural program
15. at this campus and encourage greater participation from
16. residence building teams
17. Whereas, Capital Improvement Trust Fund moneies have been earmarked
18. for the construction of new basketball courts to be included with

1. Whereas, the cost of constructing two courts would not differ
2. significantly from the cost of constructing one court, and
3. Whereas, the resident students have shown overwhelming support for
4. the construction of these new courts, evidence being the
5. petition conducted by the Student Advocate Committee and
6. signed by over 200 resident students in January 1987, and
7. Whereas, this project has been endorsed by Becky Purser, Director
8. of Recreational Activities; Bill McCartney, Director of
9. Residential Life; and Steve Loflin, Residential Life Area
10. Coordinator.
11. Therefore, let it be resolved that the senate of the Student
12. Government Association strongly recommend to the appropriate
13. administrators that new basketball courts be
14. constructed near the student residences in the near future, and
15. Therefore, let it be resolved that the senate strongly recommend
16. that Bill McCartney, Becky Purser, and two students selected by
17. the Student Advocate Committee be involved with the selection of
18. a site for the courts and other matters involved with the
19. timely completion of this worthy project.
